## Registration at the Weekday School

Registration for current Weekday School families will be held on Monday, February 2<sup>nd</sup>. New Weekday School families will be able to submit Registration Forms on Tuesday, February 3<sup>rd</sup>. Registration for both days will take place in Loudoun Hall from 8:30 am to 1:30 pm.

*What to bring to Registration:*

- A completed Registration Form, and the Registration Fee (\$55 per child, \$80 for family).
- *What about Health Forms and Birth Certificates for New Students?*
- Health forms and birth certificates are due to the Weekday School prior to the first day of school. These can be submitted when the Weekday School opens in August, or they can be submitted at the Meet the Teacher Day.

*What factors determine class placement?*

- Chronological age, as well as developmental age are factors in placement. Since we operate based on developmentally appropriate practices, our priority is to place children where they will be most successful.

Registration is handled on a first come, first served basis.

## Dressing for Success!

The classes here at the Weekday School will continue to visit the playground as the weather permits. For the safety and comfort of all children, please provide the following:

- **A warm jacket**
- **Mittens or gloves**
- **Hats**

Transitioning from the classroom to the playground with outerwear also provides us a time to practice self-help skills!

## What's Happening in the Community?

The Bowman Library will be hosting Preschool Story Time on Wednesdays and Saturdays, from 11:00 am - 12:00 pm, during the month of February. These activities are great for children aged two to five!
