Lara Davis, Director

Welcome back to First Presbyterian Weekday School! We are excited for another year of connecting and exploring with our students!

Registration for the 2014-2015 school year will be taking place next month on February 3rd. We are gearing up for our informational Open House, which will be held on Friday, January 24, 2014. *In the event of inclement weather on the 24th, an Open House make-up is scheduled for Friday, January 31, 2014.*

Although Open Houses are geared for new families who wish to learn about our program, current families may find the Open House a great source of information regarding our curriculum and philosophy. Informative displays will be located in Loudoun Hall. Tours of classrooms will also be taking place during this time. This is a great time to observe older classes in action and get a feel for what curriculum looks like along the developmental continuum.

The Open House will run from 9:30 – 12:00 on the 24th.

Show Them What Helpful Looks Like!

Our current blog describes methods for promoting helpfulness in the home and classroom. Often times, we take for granted that children know concepts of "helpful", "kind", "nice", etc.... Social tenets such as these are taught through modeling and experiences.

A Tight Squeeze!

Parking space has always been an issue here at the Weekday School.

There is additional parking located on Cork Street, and another parking lot located on Indian Alley. You can also enter the school through the front door, which is staffed from 8:45 am to 9:15 am, and again from 12:45 pm to 1:05 pm.

Helping Those in Need:

W.A.T.T.S
(Winchester Area Temporary Thermal Shelter)

This outreach mission provides food and shelter for those in our area who are in need.

First Presbyterian Church will host WATTS during the week of January 13 - 20, 2014, from 7 pm - 7 am, daily.

If you are interested in volunteering to help with this mission, please contact the church office: 662-3824.

My Job is to Keep You Safe!

With cold and flu season upon us, it is imperative that we continue our morning ritual of hand washing before entering the classroom. Hand sanitizer is not an effective replacement for hand washing.

Children must be accompanied by adults when using the restrooms.

Just a reminder to observe these signs.
