Thank you, Weekday School Family!

Once again, the Weekday School's Christmas Program was a success. What a joy it was to see the community connections on these days. Thank you for attending the reception and programs! Many thanks to the families who assisted by donating food for the reception. We would like to also thank the Weekday School Team for hosting the reception, and Amy Bowman for bringing music and movement to the classrooms and for providing music during the reception.

Our rituals are important to our School Family, and volunteers truly make a difference in these shared celebrations!

Inclement Weather

In the event of inclement weather, the Weekday School may be closed or experience a delayed opening. First, and foremost, the safety of the children, families, and teachers are taken into consideration.

The school will send notification of any school cancellations or delays via telephone call. Phone calls for closings or delays will go to the primary number indicated on your BlackBoard Connect paperwork. If you have had a change in primary number since the beginning of the school year, please notify the Weekday School office at wds@fpcwinc.org, or (540) 662-7588.

A Word on Safety.....

Drop off and Dismissal are busy times at the Weekday School. It is imperative that all children be supervised by sight and sound at all times. Families are coming and going, and the hallways are very busy. It takes the School Family to keep everyone safe.

What's Happening in the Community?

The Bowman Library will be hosting Penguin Appreciation Day on Saturday, January 17th from 11:00 am - 12:00 pm, followed by a family picnic and movie, "The Penguins of Madagascar" from 1:00 pm - 2:30 pm. For more information, please visit the following link, and click on January's calendar:
