Hooray for Mother's Day!!

Attention mothers of children in the 3's, 4's, and Pre-K classes: Please mark your calendars for a very special event on Thursday, May 7th or Friday, May 8th! Those days are reserved for our Mother's Day luncheons. Moms and other special ladies are invited to attend this event in the Fellowship Hall. The children will open the luncheon with a short musical performance, and will join you immediately afterwards to share a potluck lunch.

You may sign up to bring a dish at <http://www.perfectpotluck.com/> The coordinator name is Willingham, and the password is fpwds. Both events are listed under Mother's Day Luncheon (May 7, 2015). If you have any questions, please feel free to contact April Willingham at aprillamaster@yahoo.com

Your child's teacher will provide the day that your child's class will participate in this event. If you have attended this event in years past, you may have noticed that we've switched the RSVP system a bit. Rather than completing an individual RSVP form, you will find an RSVP sheet near the Sign In sheet for your child's class. Please RSVP no later than Tuesday, May 5th. This is a wonderful time for our school family to connect, and to celebrate the joys of being a mother or special person in the life of a child!

Celebration of Four's and Five's!!

Another ritual we hold dear at the Weekday School is the Celebration of Four's and Five's. This is an opportunity to notice and honor our oldest school family members as they embark on the next step of their lifelong learning experience.

The celebration is held in Fellowship Hall, and includes a video highlighting the children's year. Parents will have the opportunity to sit with their children during this wonderful culminating activity.
