Mother's Day Luncheon for 3's, 4's, and Pre-K

This event will be held on Thursday, May 5th, and Friday, May 6th at 12:00. Moms and special ladies are invited to join us for a potluck luncheon in the Fellowship Hall. The children, under Ms. Amy's guidance, have been practicing songs to honor the special women in their lives. Following this performance, the children will join you at your designated table in Fellowship Hall.

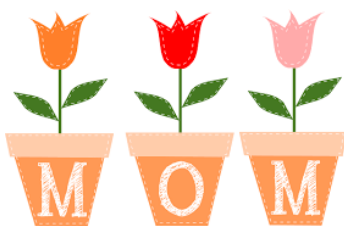

The sign up for covered dishes/food is available at

The password is fpwds

The children and their teachers will be working to create place settings for each of our guests, and the classes will have designated tables to allow for fellowship and connections.

You should have received an invitation from your child for this event. RSVP's are due by May 2nd so we can make seating and high chair arrangements. We look forward to seeing you there!

Celebration of 4's and 5's

On May 18th, our 4's and 5's will gather in Fellowship Hall at 12:30 to celebrate our time together. Parents, it's helpful to arrive early to find parking! This celebration will include a slideshow which features the children's growth over the past school year. Not only is this a time to reflect on the past, it is also a time to look forward to the future! We will definitely be wishing our school family members well as they make their journey to new schools. Although we may be going separate ways, know that you will *always* be a First Presbyterian Weekday School family member!

Thank You!!!

We would like to thank our Weekday School team, the LaMaster/Willingham family, our Parent Liaisons, and our volunteers who worked to make the Spaghetti Dinner, auction, and Giving Tree a success. As in any family, we count on each other to ensure that group events run smoothly. It is truly a joy to connect with our families during this ritual!

Our Amazing Substitutes

Speaking of counting on each other, we would like to thank our loyal substitutes for their dedication. If you are interested in joining our roster of substitutes for the 2016-2017 school year, please get in touch with Ms. Tricia at (540) 662-7588, or at wds@fpcwinc.org.

Crime and Punishment!

Feeling curious about how consequences impact your children? Stop by the Weekday School blog to read about how natural consequences foster learning and growth. The blog can be accessed at <http://fpwds.com/category/blog/> .
