Two times per month your WDS staff meets for training on early childhood education topics that ensure a healthy environment with optimal learning experiences. In September and October training topics included: process art and art appreciation, maintaining best practices in Conscious Discipline, conferencing, and developmental continuums of growth. We value our staff meetings as a time of collaboration and an opportunity to learn.

FESTIVAL of TREES at the YDC

The Youth Development Center on Battaile Drive will host their annual festival November 16-18. The funds from this event support the programs at the YDC. This year FPWDS students in the 4 and 5 YO classes have decorated and entered a tree that will be available to purchase.
