Dear Weekday School Families,

I want to thank you for your support of the activities that happen at the Weekday School! Whether it is classroom requests for art supplies or the Book Fair or a yummy Jordan Springs dinner – you are there for these programs and we are grateful for your presence!!

Wishing you well, Ms. Christen

Portfolio Assessment at Weekday School

The teachers and students create portfolios to track the progress of students at the Weekday School. We use work samples (drawings, writings, pictures of structures and activities); checklists of developmentally appropriate skills in cognitive, language, physical, and social/emotional development; anecdotal records of interactions and observations in the classroom and a variety of other strategies unique to each age level. The older children have access to their portfolios to look through and add to – they are part of the process of gathering information.

Fall Assessment Forms will be sent home in late November that will highlight activities your child has completed while at school, show you what we have noticed about your child in the areas of development and what we are working on going forward into the winter months. This is meant to give you a snapshot of your child's day and interactions while at school. Feel free to follow up with your child's teacher if you have any questions!

CHRISTMAS FELLOWSHIP

The plan, as of now, is to have LIVE and IN-PERSON Christmas Programs. They will be Thursday, December 15th and Friday, December 16th at NOON in Fellowship Hall. After the children finish their presentation, you are invited to stay for cookies and punch.
