Dear Weekday School Families,

Happy New Year!! Our goal for the Weekday School is to remain open despite the spike in COVID cases and we will continue with the protocols in place. We ask for your assistance in this effort by using extreme caution when determining any symptoms/illness that your child or anyone in your home may be experiencing. If you have to think about it, please keep your child home. Also, please know that even though the CDC has edited their quarantine protocols; we have not received official updated guidance from the state regarding quarantine length and will continue with the algorithm provided by the VDH.

Wishing you well, Ms. Christen
