NO SCHOOL

Dear Weekday School Families,

We had another wonderful week here at the Weekday School!

In STEM, students experimented with exploding apples. And in music students played new instruments! Our toddlers were treated to new wagons and have enjoyed their daily walks on the walking mall in style! Our classes practiced how to be safe during an exit drill and some enjoyed walks on the mall during the beautiful fall days we are having!

If you have not yet seen, we have signs-ups for our Donuts with Grownups (special adult) outside of each classroom. Sign up for one day next week to enjoy a donut at drop off!

Wishing you well, Ms. Sarah and Ms. Heather

Our FIRST LUNCH BUNCH will Thurs, October 19th!

We are looking for community or family sponsors to cover the cost of lunch bunch that day! Contact us if you are interested in sponsoring a lunch bunch

The absolute last day to turn in Health Forms
and Immunization records is
September 29th
